Scoring/Format

- We will play with auto putt outside of 8 feet and a gimmie 1 if the ball is within 6ft.
- All shots must be played from the proper mat. If a shot is played from an incorrect mat, the player is subject to a 2 stroke penalty. Putting is the only shot where you place the ball a few inches of the hitting pad and putt on the carpet.
- USGA rules of golf practiced were applicable.

Things to be aware of

- Please be aware that movement near the tracks while the simulator is prepared to register a shot can cause a false shot. 1 mulligan per round. In the event that you accidentally register a shot you must contact your facility management immediately. If you were on the putting green you will be given an automatic "two putt" from your previous position and your score will be manually corrected in the system.
- In order to uphold the fairness of the tournament, this will be left to the discretion of league administrators.
- To prevent this from happening, please be prompt in retrieving your ball or pick the ball up with your hand when going to retrieve it instead of dragging the ball back across the tracks with a putter.
